

Board 138: Re-thinking Engineering Doctoral Students' Sense of Belonging: In Consideration of Nationality Diversity and Interpersonal Interactions

Ms. Eunsil Lee,

Eunsil Lee is a Ph.D. student in Engineering Education Systems and Design program at Arizona State University (ASU) in the Fulton Schools of Engineering, The Polytechnic School. She earned a B.S. and M.S. in Clothing and Textiles from Yonsei University (South Korea) with the concentration area of Nanomaterials and Biomaterials in Textiles. She began her Ph.D. study in Textile Engineering but shifted her path toward Engineering Education a year later. Her research interests currently focuses on engineering doctoral students in underserved populations such as women and international students.
