Engineering Society of Detroit--ESD

This 120-year-old society represents more than 60,000 engineers and 3,000 companies.

ESD Vision

Serving this generation of engineers, scientists and allied professionals and fostering the next.

ESD Student Chapters initiative

ESD Exec. Dir. Robert Magee sees student chapters as an important part of the future of the organization...

Row Houses (Officers' Quarters): Living-Learning Communities

Living-Learning Communities

- Established in 2011 (replaced fraternities)
- Network of students with similar interests
- Activities designed to complement academic/career goals
- Connections to life-long friends
- Meaningful faculty connections

Chippewa Hall

- Engineering House

ESD Student Chapters

- Service/mentoring of K-12 students
 - Career preparation/soft skills
 - Internship and co-op opportunities with 140+ corporate members
- ❖ Perk for LSSU Engineering House students is free membership (paid by dean's budget)

LAKE SUPERIOR STATE UNIVERSITY

LSSU is
a strong
community
partner

Twin Saults
